Norman Love Chocolates At Hospital Gift Shops

By stocking his award-winning chocolates at three Lee Memorial Health Care sites, Norman Love sought to "uplift patients' spirits." But let's all get excited, since we can now get our hands on these choice chocolates for birthdays, anniversaries and all around gift-giving without driving south to the Norman Love chocolate factory (or as he calls it, the Chocolate Salon) down by the airport off Daniels Parkway, in Fort Myers.

The hand-crafted goodies will include various gift box assortments of Norman's core chocolate line, consisting of 36-flavors, the 5-piece ultra-premium dark chocolate line titled BLACK, and various other products such as turtles and solid chocolate bars.

Look for them at Bright Ideas Gift Shops at HealthPark Medical Center and at Lee Memorial Hospital on Cleveland Avenue; and the Heart and Hands Gift Shop at Gulf Coast Medical Center.
