### Which *Sex and the City* character are you?

By Frances Largeman-Roth, RD

Everyone who knows me is well aware that I'm an unabashed *Sex and the City* freak. I work the phrase, "It's just like that time on *Sex and the City* when..." into nearly every conversation possible. I'm absolutely looking forward to the second movie, even if the trailers do leave something to be desired.

And to show my support for the girls this [Valentine's Day](#), I've decided to find a fabulous box of chocolate to go with each of the lovely ladies' personalities.

## If she's a Charlotte

Traditional and kind-hearted, all the Charlottes out there will appreciate the Black Heart collection from [Norman Love Confections](#). Each of the truffle hearts is made from single origin dark chocolate from the world's premium growing regions: Dominican Republic, Ecuador, Bolivia, Venezuela, and Madagascar.

So even if you can't take your Charlotte anywhere more exotic than your living room, she can still be transported to someplace exciting. A five-piece box runs \$15, the 10-piece is \$25, and the generous 15-piece box is \$35. A portion of the sales from the Black Heart Limited Edition will be contributed via the Boston Red Sox Foundation to the American Heart Association.
