FORT MYERS: Time is running out to get that special someone the perfect Valentine's Day gift. Luckily, Southwest Florida retailers are in full swing preparing for the rush.

Employees at [Ruth Messmer Florist](#) in Ft. Myers have been swamped with flower arrangement orders. Although they suggest ordering at least a day ahead of time, they will still have some arrangements available for last minute shoppers.

Meanwhile, [Norman Love](#) has taken extra steps to prepare for the crowds heading to his chocolate store. Love has workers doing traffic control to direct people in and out of their parking lot off Daniels Parkway this week.

The teams there have already been busy making 40,000 pieces of chocolate each day. The good news for last minute shoppers though, Norman Love's will be open 9 a.m. to 4 p.m. on Sunday.
