## Norman Love Confections now open at Miromar Outlets

Satisfying that craving for Norman Love's chocolates, pastries and gelato treats has just gotten easier with the opening of the company's new location at Miromar Outlets in Estero.

It is the fourth location for Norman Love Confections, which operates Chocolate Salons in Fort Myers and Naples as well as Artisan Gelato in Fort Myers.

Not only will the Miromar location offer chocolates, pastries and gelato, it will do so from 10 a.m. until 9 p.m. six days a week and Sunday from 11 a.m. to 6 p.m. For more information, call 672-8787.

"Norman Love Confections is very proud to become part of the Miromar Outlet family and we are delighted to offer our chocolates, pastries and gelato to those in the Estero and Bonita Springs area," says Norman Love. "The

salon is easily accessible from Interstate 75, Corkscrew Road and Ben Hill Griffin Parkway, making it convenient to both local chocolate lovers and visitors."

With a stylish green and brown signature decor and style of service reminiscent of French cafes, Mr. Love believes the new location will have international appeal.

"Those who live here will have the opportunity to taste a bit of Europe, while international visitors will feel at home as well," Mr. Love said.

The 1,100-square-foot confectionary boutique, designed by GTI Designs of New York, sits at the east end of the shopping complex next to Naples Flatbread and across from Ford's Garage.

The salon will offer an array of fresh muffins, croissants, brownies, cookies and pastries, along with coffee, latte, espresso, macchiato and chai, as well as

white and chocolate milk and other cold beverages. The tantalizing, ultra-premium chocolates for which the company is known also are available. So, too, will be a full array of the company's artisanal gelatos.
