IT'S YOUR BUSINESS

## O magazine lists Fort Myers business

The February issue of O, The Oprah Magazine, has named **Norman Love Confections** to the O List of items Oprah Winfrey thinks are noteworthy or would make great gifts.

The Valentine's edition of O, with a circulation of 2.5 million readers, shows photos of the Fort Myers-based chocolatier's products.

"From aptly named chocolatier Norman Love, these chocolates come in 10 varieties and feature ingredients like marshmallow ganache, blackberries and dark chocolate," the magazine editorial reads.

In December, National Geographic.com listed Norman Love Confections as one of The 10 Best Chocolatiers in the World. Ranked fifth, Norman Love bested companies based in France, Brussels and Amsterdam.

The Fort Myers Chocolate Salon is at 11380 Lindbergh Blvd., and the Naples Chocolate Salon is at 3747 U.S. 41 N.
