Charities Win With New Boxed Line

Fort Myers, FL — Norman Love Confections' newest product line, Lil' Love, will raise money for local charities.

The five-piece boxes contain handcrafted white, milk and dark chocolates in five flavors: cookies 'n' cream, bubble gum, peanut butter and jelly, vanilla cupcake and cotton candy.

The company says it will donate \$1 from each box sold at Fort Myers and Naples locations, as well as online, to a different nonprofit organization every four months.

The chocolates have a SRP of \$13 per five-piece box.
