# Artisan Gelato

The waffle's crisp edge gives way to a fluffy interior as plumes of steam escape, causing a round of gelato to settle just slightly in the pastry's pocketed center. "It's more Brussels than Liege," Norman Love tells a customer at his new Artisan Gelato. Origins aside, it is delicious. As is most everything else. Delicate crepes. Melon and pear sorbets to set the mouth watering. And gelato like you'd find in Italy.

*Artisan Gelato by Norman Love opened in February next door to the Norman Love Confections salon at 11300 Lindbergh Blvd. in southeast Lee County. Call 288-4333 or visit [normanloveconfections.com](http://normanloveconfections.com).*
